

Christ the King Sunday School begins October 2

fall 2022

Dear families!

It is time! Registration time! You should have received an email about our Sunday School program, and if you didn't please let me know! Sunday School is an optional offering for our families with children ages 4 & 5. Your child is welcomed to join us!

A bit about our program: We use a pamphlet series from a publisher called Pflaum which is full color and includes an age appropriate lesson focusing on the gospel reading for that Sunday. This program also uses a supplemental workbook which we use during the year and send home with the students on the last day. Children are dismissed for class during Mass. Dismissal happens after Mass has started, but before the first reading. The congregation says a prayer and sings a dismissal song. Our catechist, Jackie Sternweis, will be at the front of church and she will lead the children to the church basement, using the side door near the ambo (where the Lector is). Class is held in the church basement and children may be picked up after Mass. Our Sunday program does not have an attendance expectation – come when you can and know your child will learn something every time they attend! Registration is requested for the students to ensure we have enough materials ordered. Does it sound fun?? It is!

Sunday school begins on October 2, 2022.

If you could let me know if your child will be attending [or not] by August 31, that would be great! You are welcome to complete your registration on August 31 from 7:30am-7:30pm at the Seton Center or on Sunday, October 2. There is a \$25 registration fee to cover the cost of materials.

Please let me know if you have any questions. I am looking forward to a great year!

God Bless,
